Marketing Materials for the Tricefy Patient App (For Print)

Last Modified on 09/10/2025 10:01 am EDT

Tell your customers about the Tricefy Patient App!

The Tricefy Patient App provides unique branding opportunities. To get the most out of the Tricefy Patient App branding, we recommend that your customers display the marketing flyer at their site so that patients know to download the application when they arrive for their scan.
