

# Tricefy ViewPoint One- pager

Last Modified on 11/17/2020 5:09 am EST

Tricefy and ViewPoint 6: Focus on what matters most with a simplified, centralized and unified workflow.

GE healthcare has partnered with Trice Imaging to provide a cloud-based solution called Tricefy, allowing users to seamlessly share, collaborate, route and remotely access examinations from their ViewPoint 6 workstation.

Download this Tricefy ViewPoint one page sell sheet to share with customers and distribute at conferences.
