

# We Use Tricefy Customer Testimonials

Last Modified on 03/25/2022 8:42 am EDT

Please see our collection of "We Use Tricefy" customer testimonials. You can use these graphics on your own website or for social media marketing. If you would like to conduct your own " We Use Tricefy" interviews with your happy customers, please feel free to use our questionnaire as a guide and don't forget to use the hashtag #weusetricefy

“

We have moved all of our daily work to Tricefy! From intake forms, financial agreements, consents, ultrasound images, to NST strips, lab results, prescriptions, and more are all uploaded into Tricefy. When looking up a patient, I have everything in one place on Tricefy.
