

# Tricefy and Samsung: Saving Time.Saving Lives.

Last Modified on 07/28/2022 4:31 am EDT

" Samsung Ultrasound and Trice Imaging, together, have solved a major problem that ultrasound in the field has encountered in the past: the images being able to be transmitted and time of transmissison.

-Raj Gandhi, M.D., Trauma Medical Director, John Peter Smith Hospital.

Watch how Trice Imaging and Samsung help Texas EMS services save time and save lives.
