Tricefy Cloud PACS in Action!

"Before Tricefy, it would routinely take weeks to track down older images. Now, I simply search for the patient and pull the images, versus having to find the specific machine on which the scan was performed.

- Rebecca Knecht, Clinical Director of Life Scan Wellness

[Read about Tricefy Cloud PACS user, Life Scan Wellness](#), and learn how they address their Cloud PACS needs to make imaging more accessible and scalable.
